BLACH PARENT LETTER
2011-2012

Dear Blach Athlete Parent,

Welcome to the after-school sports program operated by the City of Los Altos Recreation Department in cooperation with the Los Altos School District. This valuable partnership allows middle school students to experience inter-school competition.

The sports program adheres to an "All Youth Play" concept, allowing all interested students team participation. However, in the absence of qualified coaches or adequate competition in neighboring schools, it may be necessary to limit participants for a particular sport. This program strives to provide an inter-school athletic program for as many students possible, while maintaining quality instruction, promoting skill development and fostering good sportsmanship principles. Please understand that the Valley Junior High School Athletic League is a competitive league, not solely recreational in nature. Any questions regarding the placement or participation of a student should be directed to the coach or athletic director.

The cost for each sport program is **\$99.00 per participant**. To register, each student should follow the online registration instructions included with this form. No cash or checks please. Players will not be allowed to participate until they have registered for the program.

Blach School is collecting a transportation fee from each student. This money helps offset the cost of bus transportation to away games & meets. Please write a separate check for **\$25 to "Blach School"** and bring it to your coach as soon as possible.

I hope the Junior High Sports Program is an enjoyable and rewarding experience one for your child. If you have any questions or concerns regarding this program please contact the Athletic Directors at Blach:
